Every day, Krish exemplifies what it means to not only show respect but also how to model respectful behavior. You can count on Krish to continuously follow classroom and school rules. He is a leader and role model amongst his classmates and peers, and he goes out of his way to show respect towards teachers and other members of our school community. He always respects others' property and belongings, and he works extra hard to ensure our classroom supplies and materials are handled with care. Not only does Krish show respect towards others, he understands what it mean to have respect for himself as well. BUZZWORTHY STUDENT

FOR RESPECT

Owen Ellison

Nominated by: Mrs. Cavanaugh

From the minute Owen walked into my classroom on September 5th, I knew he'd be a student that exudes good character. He is so pleasant, polite, and most importantly, respectful each and every day. He never fails to say "Good morning" or "Have a good day", which seems so small but makes a huge difference to the people that surround him. He is always ready to learn and participates regularly in class, and he is respectful enough to acknowledge his peers when they have a comment or answer that differs from his own. Ultimately, Owen aims to please! He is always willing to help whenever I need it and has the BEST manners when doing so. I am honored to have Owen in my class and look forward to an excellent school year.

Congratulations, Owen! I am so proud of you!
